**Candidate Charges
Cuba Blackmail**

Joe Baker, GOP candidate for Congress from Maryland's Fifth District, charged last night that the Central Intelligence Agency has been "blackmailed" into offering some \$3 million "in taxpayers money" to ransom the Cuban prisoners. Mr. Baker told a meeting in Anne Arundel County that lawyer James B. Donovan was commissioned to represent the U. S., and the public has a right to know "our Government's part in giving Communist Cuba blackmail money."
